

## Bending shingles -SB 50

**Up to now, 24 work steps were needed to produce shingles.**

**With the SB 50, you can reduce that to 8 steps. This makes the process 70% faster.**

#### Benefits

- Manual
- Mobile
- Cost-effective
- Exactly reproducible
- 2 optimal 180° edges in each work step

#### Bending capacity

500 x 1.0 mm Steel 400 N/mm<sup>2</sup>

500 x 1.5 mm Aluminum 250 N/mm<sup>2</sup>

500 x 0.6 mm VA 600 N/mm<sup>2</sup>
